

04BR-Villa Lalaguna

4 Bedrooms
3 Bathroom
3,500 Square Feet

Villa Lalaguna borrows its name from an eclectic beach bar in Bali, known for the creative mix of furnishings, areas to hang out as well as menu itself. Whether you're coming to Miami to enjoy yourself, work at home, exercise, meditate, party entertain friends you will be able to do it all without ever leaving home. Lalaguna has indoor/outdoor: dining, sound system, artwork from all over the globe, mood lighting. As well as 2 offices, heated pool, covered Jacuzzi, and a one of a kind Zen Den.

The ultimate atmospheric gem, Villa Lalaguna encompasses everything you need to enjoy a Miami getaway in ambiance and enjoyment. Equipped with Sonos sound inside and out, Lalaguna features 3 full bedrooms as well as 3 additional sleeping areas perfect for escaping with friends on a long weekend getaway. Decked out in art and mood lighting, the home also features flat screen TVs, a bar, a massive covered patio, pool, hot tub and a total of 6 beds. Eclectic style meets tropical living, relax in your own private wonderland and enjoy the fresh mangoes and avocados that grow in abundance steps outside your personal oasis.

This home can function as 3, 4, 5 or 6 bedroom even. 4 rooms have King Size Beds, both of the offices have futons and a blow up mattress can be provided for the Zen Den. This is a home where you can enjoy yourself and the stereo at night provided and is a perfect home for a small business, team-building, with multiple offices and the home gym, outdoor patio that even in the middle of a downpour serves as an covered living room with lounge areas where you can grill and watch the game.
